The Analy High School Education Foundation is celebrating the start of our fifth year. Through our school registration campaign, the annual 'Phonathon' and our gala spring fundraiser 'Appetite for Education' we receive generous donations from parents, local businesses and our community. These donations have been used to purchase classroom materials for every department at Analy High School. We have also funded programs that enhance the education of every Analy High School student and benefit our community.

YOUR DONATION MAKES IT HAPPEN!

We still need your help!

- In 2006, AHSEF provided over $40,000 for major computer equipment and software upgrades throughout the school.
- In 2007, AHSEF provided $50,000 for music and fine art, math and science, PE, library books and many other classes and projects.
- In 2008 AHSEF provided $70,000 towards books, equipment and other learning tools to enhance student life and help teachers deliver quality education to all Analy students.
- In 2009 AHSEF will be contributing over $66,000 to Analy to fill gaps left by severe budget cutbacks. These funds will be applied across the school, including the arts, the library, academic programs and more. In addition, we received a generous donation of over 30 up to date MAC computers which will replace older computers throughout Analy.

THANK YOU, ANALY COMMUNITY!
